

Merit has been providing Internet and Internet2 access to the K12 community in Michigan since the inception of our affiliate member program in 1992.

Merit introduced the Internet to schools across the state, and we continue to lead the K12 community on the cutting edge of network-enabled teaching and learning.

## ISDs & ESAs Connected to Merit Network

ISD/ESA	City	Enrollment	Internet2*	Connection	Connection Speed
Barry ISD	Hastings	4,813		Fiber	1G
